Dear Sir,

Steamer "BRIGADIER"

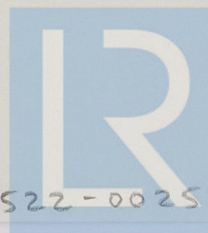

With reference to Greenock report No. 26534, in view of the fact that in April, 1959, (Glasgow report No. 89905) the screwshaft was not submitted for examination by the Society's Surveyors, a record of "TSOG 4.59" cannot be assigned.

Having regard to the note in the Greenock report under review, however, I shall be glad to have the Surveyor's further comments on this point.

Yours faithfully,

Deputy Clerk to the
Classification Committee.

The Secretary,
GLASGOW.
