Dear Sirs,

"BRITISH LANCER"

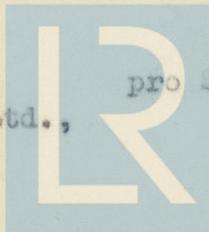

I note from your letter of the 28th instant that this ship is not due to arrive in this country until the end of November, when the Special Survey will be held.

It is concluded therefore that you will wish the existing Load Line Certificate, which expires on the 4th November, to be extended until the end of that month, for which purpose it is suggested the requisite Load Line Renewal Survey should be held when the ship is loading at Mina al Ahmadi on the 3rd November.

If you will kindly let me have your confirmation on this point I will send the necessary instructions to the Surveyors concerned.

Yours faithfully,

Messrs. BP Tanker Co. Ltd.,
Britannic House,
Finsbury Circus,
London, E.C.2.
