Dear Sir,

With reference to your classing letter of the 16th instant respecting the M.V. "EMPIRE WORDSWORTH", we beg to state that this vessel, although similar to previous vessels, is 1' 4½" shorter than these vessels and is of a different construction at the after end and as the First Entry report mentions sister vessels, it was not thought necessary to report the similarity. In future cases, however, any similarity in design will be noted.

We are, Dear Sir,  
Yours faithfully,

Dear Sir,

With reference to your circular letter of the 14th inst. regarding the M.V. "MILNE" (No. 1000), we beg to state that this vessel, although called a motor vessel, is in fact a steam vessel, and is of a class which is not covered by the provisions of the Act of 1854. It is not, therefore, necessary to report the same in the future census, however, any sailing in the future.
