

MEMORANDUM

27 AUG 1959

(Ref. H.)

08

ARDGRYFE

condition (a) MBS to be held, General Examination and satisfactory sea trial to be held, Screwshaft Survey was due 2/59 but, as the wear down of the stem bush in 5/57 was satisfactory it is considered the screwshaft need not be exam^d. for this short voyage.

(b) If steam is required for towage purposes at least one boiler must be surveyed
