1st May, 1959.

Dear Sirs,

S.S. "BURFELL"

I acknowledge your memorandum of the 15th April the contents of which have been noted. In the circumstances no objection will be taken to the Special and Screwshaft Surveys being deferred for a short time.

It is concluded that the vessel is now under your inspection for the Main Boiler Survey, which became due so long ago as October, 1958, but I shall be glad if you will confirm this.

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
GRIMSBY.
