ort on the 29th January.

ANSWER

Date:— 15th April, 1959.

The Owners state they propose to  
carry out the Boiler Survey about  
the end of this month, pointing out  
that this vessel was laid off for  
approx. 4 months recently.

They regret they are unable to  
do more than promise this vessel will  
be laid off for Special Survey as  
soon as the outstanding overdue  
survey commitments for other vessels  
of their fleet, some of which are  
now in hand, have been dealt with.
