Dear Sirs,

Motorship "BARKENTINE"

I duly received your letter of the 5th instant regarding the above vessel, the contents of which have been noted.

In view of the fact that the ship is still laid up and that no arrangements have been made to complete the Special Survey or carry out the other overdue surveys, this case has today been submitted to the Committee, who have given instructions for the class of the ship to be qualified with the notation "Laid up - Surveys overdue 2,58".

I shall be glad if you will advise the Owners accordingly, and at the same time inform them that it will be in order for all the overdue surveys to be postponed until the ship is again placed in service.

Yours faithfully,

Assistant Clerk to the  
Classification Committee.

The Surveyors,  
COPENHAGEN
