LLOYD'S REGISTER

Recd. 30 JUN. 1925

Ans'd. ack 30. 2/7/25

LONDON

Dear Sir,

S/S "KARONGA".

When this steamer was in Birkenhead drydock last week, your Surveyors attending the steamer informed our Representative on board that the Special Survey No. 1. became due this month. We would point out to you, however, that owing to the many labour troubles in the year 1921, the Builders were unable to complete vessel until November of that year, and this being so, we consider the completion date should be recorded as 11/'21, making the No.1. Survey due in November of this year. You are of course aware that ship was launched in December 1920, but due to the above mentioned causes, we could not get delivery of the vessel until the following November. We will be obliged if you will place these facts before your Committee, and get them to agree to the entry in the Register being altered to completion as from November 1921 instead of June 1921.

We are, Dear Sir,

Yours faithfully,

FOR ELLERMAN & BUCKNALL STEAMSHIP CO. LTD

SUPT. ENGINEER.
