Dear Sirs,

bd.

"BRITISH PROMISE"

Reverting to your letter of the 17th July last in which you stated that the Special Survey would be held at Wallsend-on-Tyne in November, it is observed from the shipping papers that this vessel is now bound for Hamburg.

I have to point out that the Annual Load Line Survey became due on the 17th August and the period of grace permitted by the Ministry of Transport has now expired.

I shall be glad to learn, therefore, within what time and where the Special Survey will now be held and the overdue Freeboard Survey will receive attention.

Yours faithfully,

pro Secretary.
