Dear Sir,

m.v. "BRITISH ISLES"

We refer to your reminder of the 14th instant and our arrangement to carry out the Special Survey and Tailshaft Survey of this vessel by the end of this month.

We have to advise you that the vessel is now at anchor in the Firth of Forth and in view of the fact that the three months allowance beyond the due date of holding the Annual Freeboard Survey expires on the 20th instant, the vessel will be held at anchor there pending a decision as to whether the vessel will be put up for Special Survey or for a General Examination. We will advise you as soon as possible of our intention.

Yours faithfully,
