

R A C T FROM GEN.CLASSING LETTER D'D.19th Jan.1960.

"HARDIGAN" Reverting to my letter of the 14th October, the report of the General Examination which was carried out at Venice has now been seen before the Committee who have agreed to the Special Survey being postponed until the end of next month. Please inform the Owners accordingly.

Please also point out to the Owners that the Continuous Survey is still very much behindhand, the greater part of the main and auxiliary machinery not having been seen for more than four years. It is concluded that this matter will be put in order when the ship is submitted for Special Survey next month.
