Dear Sirs,

M.S. "GARDIGAN"

I acknowledge your letter of the 1st July, the contents of which have been noted, and would inform you that in the circumstances no objection will be taken to the Starboard Screwshaft Survey being postponed until about December next, as desired.

For your information I think it well to point out that Donkey Boiler Survey will become due at the end of October, and it is concluded that this inspection will also be dealt with on that occasion.

Yours faithfully,

ce Ren
