

"DARMA"

Lon. 2083  
Gls. 72997

IT IS SUBMITTED that this vessel's Refri-  
gerating Installation is eligible for the Record  
# LLOYD'S RMC 6.48.

In the absence of any documentary evidence  
in this office that the fan motors have been constructed  
and tested in accordance with the Rules it is concluded  
that this is so.

Should this not be the case the Glasgow  
Surveyors should satisfy themselves that the fan motors  
accord with Rule requirements in regard to construction  
and performance under working conditions before issuing  
the certificate to the Owners.
