DCW Received by Chief Ship Surveyor EX

Received from Chief Ship Surveyor

VESSEL'S NAME CANBERRA REPORT Gen. No. 17357

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

(The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement. —Extract from Sub-Committee's Report, 24/5/02.)

The class is subject to 30 fathoms of chain cable being supplied at earliest opportunity.

The GENOA Surveyors report (7.49) vessel placed in dry dock and bottom coated.

The vessel has now been converted to oil fuel burning in accordance with approved plans and Rule requirements.

All bulkheads, except A.P. bulkhead, have now been made W.T. to 2nd deck.

IT IS SUBMITTED the vessel be continued as classed with record of docking 7.49, subject as above.

7.49 Gen. Subject.
