QUESTION

ANSWER

I shall be glad to learn what arrangements the Owners propose making for the Screwshaft Survey, due at the end of October, to be carried out.

Date:— *24th August 1961.*

The Owners state that this vessel has been sold to Japanese interests for breaking up in Japan by the end of next month. The ship is presently on route to that country and Messrs. Federal Commerce & Navigation Co. Ltd. state that they will advise us when she has been delivered to the breakers.
