Dear Mr. Scott,

Reverting to my letter of the 6th inst. respecting the S.S. "DALIA", I have just been informed by the Shipping Manager at Johannesburg that this vessel was dry-docked at Colombo during the early part of June.

It appears that the Master was allowed to use his discretion as to the dry-docking of the vessel, and the Port Authorities at Durban had no advise of this.

In his letter to me, the Shipping Manager makes no comment as to any hogging having been reported, but no doubt the Society's Surveyor at Colombo will have reported the case by now.

With kind regards,

Yours sincerely,

A. H. Boyle
