Dear Mr. Boyle,

Reverting to your letter of the 21st October last relative to the steamer "DALIA", it is observed from the Shipping Papers that this vessel left Port Natal on the 5th ultimo and I shall be glad to learn whether an opportunity was afforded you to examine the steamer in drydock.

If not perhaps you will be so good as to let me know what arrangements have been made for this to be done.

With kind regards,

Yours sincerely,

A.E. Boyle Esq., D.S.C.,

PORT NATAL.
