Dear Mr. Court,

s.s. "DALIA".

I was duly favoured with your letter of the 2nd instant, and, while there is nothing against this vessel in the reports which have been received in this Office, it is hardly thought advisable for you to pass on the contents of my letter of the 1st instant to the Cape Town Agent of the Maritime Insurance Company, as this would be quite contrary to our invariable practice.

I have taken a special note, however, to let you know as soon as we have any news regarding the survey of the vessel by the Society's Surveyor at Port Natal.

Yours sincerely,

G. H. Court, Esq.,  
The Maritime Insurance Co. Ltd.,  
India Buildings,  
Water Street,  
LIVERPOOL.
