Dear Mr. Boyle,

s.s. "DALIA".

I have received a confidential report to the effect that this vessel loaded a cargo of rails on her first outward trip and is somewhat hogged. She came under your survey in May last but on reference to your report I find no mention of any question of hogging.

In the circumstances, it will be advisable if you make a special examination of the vessel when next she is placed in dry dock in your district in order that you may make a confidential report to this Office as to whether any hogging has taken place.

With kind regards,

Yours sincerely,

A. H. Boyle, Esq., D.S.C.,
PORT NATAL.
