ENCLOSURE

Dear Sirs,

s.s. "ESSO LONDON"

S I am in receipt of your letter of the 11th instant regarding this vessel from which I regret to learn that when preparing the Certificate of Class in respect of the machinery, my letter of the 15th April 1947 was overlooked.

It is of course quite in order for the spare propeller to be stored ashore as previously agreed, and I forward herewith a fresh Certificate which has been prepared and which bears no reference to any outstanding items in respect of the machinery.

With apologies for the inconvenience caused in this case.

Yours faithfully,

The Esso Transportation Co. Ltd.,  
Dorland House,
