

16th September, 1948.

Dear Sirs,

H.

With reference to the entry in your return of Vessels under Survey for the week ending the 9th April last in the case of the steamer "ESSO NORMANDIE", I have to point out that this Vessel's name has not appeared in any subsequent Rtn. 5b, neither has your report appeared to have reached this Office. In the circumstances I shall be glad to receive your comments in the matter.

With reference to the entry in the Special Reasons List, I shall be glad if you will ascertain from the Owners and let me know what arrangements they propose making for the examination of the port turbo-generator gears and pinions, as recommended by the New York Surveyors in March last.

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,

HAVPE.
