Date:— 12th February, 1960.

With reference to your letter of the 29th December last, I shall be glad to learn whether you now have any further information regarding this tug, as it will be noted that the year of grace for the Special Survey, previously approved by the Committee, expired at the end of December, 1959.

The position remains as before with vessel laid up awaiting disposal instructions.

Owners Superintendent says that the matter is now in the hands of their London Office who are in touch with the British Iron & Steel Corp.
