

Steamer "CORINTHIA".

I telephoned to Mr. Clifford, of Lykiardopulo & Co. Ltd., London, and he informed me that the vessel had been sold to Italians on the 20th October. Mr. Clifford added it was understood the ship is to be broken up, but he was unable to confirm this definitely. I made enquiry of the 'Publications' department on the subject, and as a result Mr. Beer has sent a memorandum to the Genoa Surveyors (copy attached).
