LOYD'S REGISTER OF SHIPPING, 71, FENCHURCH STREET,  
LONDON, E.C.3.

(Ref. H.) & F.

Surveyor(s) at **PIRAEUS.**

Date: **11th November, 1947.**

Name: **"CORINTHIA".**

QUESTION.

ANSWER.

shall be glad if you  
remind the Owners that the  
Line Certificate of this  
vessel will expire on the 31st  
of November and let me know what  
arrangements they propose making  
to carry out the necessary  
Special Survey.

I have also to point out  
that the present "Examined"  
condition will expire at the end of  
November when a Special Survey  
becomes due.

I also think it well to refer  
to the memorandum of the 14th  
of November respecting the main high  
pressure injection valve chest.

Date:— 25th November, 1947.

We are advised by the Owners  
that this vessel is now laid up  
at this port and is being  
prepared for Special Survey, which  
together with the Load Line  
Survey, will be held before  
being recommissioned.

They also state that the main  
high sea injection valve chest will  
be renewed when the vessel  
enters drydocks for the purpose of the  
Special Survey.
