Royal Hellenic Navy,

Minister of Marine,

ALEXANDRIA.

2nd December, 1941.

No.051/1046.

October

Dear Sir,

We have been advised by the Agent of the troop-carriers of the Royal Hellenic Navy, re s/s. "IONIA" and "KORINTHIA" that the survey of these vessels has expired.

As an inspection under present circumstances would hinder considerably the services of the Royal Hellenic Navy and as these vessels are stationary in the Port of Alexandria for a long time and their maintenance is being looked after by the Navy, I would request that the inspection of the same be postponed for a year at least.

Yours faithfully,

REAR ADMIRAL.

A.C. Bone, Esq.,
Surveyor to Lloyd's Register of Shipping,
ALEXANDRIA.
