

WOKINGHAM COPY.

22nd May, 1941.

Alexandria.

Steamer "CORINTHIA".

As it is understood that
vessel is now in your district,
I shall be glad if you will
ascertain and let me know whether
arrangements can be made for
Boiler Survey, which became due
long ago as October last, to be
carried out.

You will observe that the
Shaft Survey became due at the
end of March last.
