to be addressed to
MEYORS.

Dear Sir,

S.S. "CORINTHIA".

Conversion to Oil Fuel.

With reference to the Specification prepared by
Mr. E. Papadopoulos, dated 13th June last, attached ^{to} the plans
in connection with the conversion of the above vessel to
oil burning, we beg to state that on Page 2, paragraph 5,
the Cross bunker front bulkhead is erroneously given as
No.102, whereas this should be No.106.

As per the Specification, the bulkhead has been
completely removed and No.2 hold after bulkhead is now on
Frame 102.

We are, Dear Sir,

Yours faithfully,

The Surveyors.
