Re: S.S. "CARLOS HAVERBECK" and "CANELOS".

To-day we received your two air letters of the 6th July, and herewith take pleasure in informing you that we have no objection to your submitting these cases to the Committee for the purposes expressed.

With regard to the "CANELOS" we would mention that this ship was also wrecked by the tidal wave at the port of Corral, not at Puerto Montt as stated in your letter.

Yours faithfully,

Compañía Naviera
