

LLOYD'S REGISTER OF SHIPPING

UNITED WITH THE BRITISH CORPORATION REGISTER

LONDON

Port

4th February, 1952.

This is to Certify that

E.M. SELLEX,

the undersigned Surveyor to this Society did at the request of Messrs. J. & E. Hall Ltd., attend their Works at Dartford, Kent, on the 16th November, 1951, and subsequently, for the purpose of examining and testing 2 heater coils, 2 heater casings, 1 preheater coil, 1 air vessel, 1 discharge filter and 1 suction filter, made to the order of Messrs. Todd Oil Burners Ltd., London, and intended for Messrs. Naskov Skibsvaerft A/S, (s.s. "P.N. Damm").

The parts were subjected to the following hydraulic pressures in the presence of the undersigned:-

2 Heater Coils	500 lbs. per square inch
2 Heater Casings	500 lbs. per square inch
1 Preheater Coil	500 lbs. per square inch
1 Air Vessel	500 lbs. per square inch
1 Discharge Filter	500 lbs. per square inch
1 Suction Filter	200 lbs. per square inch

All the above withstood the tests applied and were found suitable for a working pressure of 250 lbs. per square inch, with the exception of the suction filter, which is suitable for a working pressure of 100 lbs. per square inch.

Each part has been stamped for identification purposes with the test pressures and with the initials of the undersigned.

E.M. Sellex
Surveyor to Lloyd's Register
of Shipping.

Fee:- £4.4.0d.

Exps:- 7.8d.

Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—
The Committees of the Society use their best endeavours to ensure that the functions of the Society are properly performed. It is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
