"DALESMAN" 6347 tons gross of Liverpool while she lay afloat in the West India Docks, London on the 31st August, 1959 and subsequently for the purpose of examining closing arrangements in exposed decks and bulkheads prior to the vessels departure to Ghent in tow as a hulk.

NOW DONE:- The closing appliances of all openings in Freeboard and Superstructure Decks and the access openings at the ends of detached superstructures examined and found in good order.
