QUESTION

ANSWER

I shall be glad if you will ascertain from the Owners and let me know what arrangements they propose making to carry out the BoilerSurvey which became due at the end of January.

I shall also be glad to learn their intentions with regard to this vessel being examined in drydock, as it would appear from the records in this Office that she has not been seen in drydock by the Society's Surveyors since January, 1957.

Date:— 22nd April, 1958.

s.s. "DALEGARTH FORCE".

This vessel is laid up, and is likely to be for some time to come. The Owners will dry dock, and do the Boiler Survey before the vessel again goes into commission.
