Déar Sir,

With reference to my letter of yesterday's date respecting the steamers "NIKOBAR", "SERAMPORE" and "TRANQUEBAR", as you will no doubt have appreciated my letter intended for the Copenhagen Surveyors was inadvertently addressed to you.

A further letter in similar terms has therefore today been sent to Copenhagen, a copy of which is enclosed in place of the one forwarded to you yesterday.

Yours faithfully,

Clerk to the  
Classification Committee

L. J. Coslett, Esq.,
