LLOYD'S REGISTER OF SHIPPING,

KIEL.

The Secretary,
LONDON.

16th February, 1948.

Dear Sir,

"NIKOBAR".

Further to our letter of the 11th instant, the Owner's Superintendent states that he has been informed by his Owners that they have no intention of completing the outstanding surveys.

It is suggested that confirmation may be obtained from the Owners direct by the Copenhagen Surveyors.

Yours faithfully,

(Sgd).
