KIEL.

The Secretary,  
LONDON.

11th February, 1948.

Dear Sir,

S.S. "NIKOBAR".

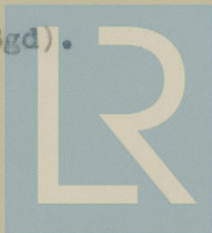

A visit was paid to the above vessel today as requested in your letter of the 24th ultimo, and the Owner's Superintendent states that he has so far received no instructions from his principals to deal with any of the items referred to.

It may be of interest to know that three of the refrigerating machines originally installed for cargo purposes, are now being removed entirely, as a result of certain modifications at present being effected.

The Superintendent intends to contact his Owners by telephone at an early date, when he will communicate their intentions to us.

Yours faithfully,

(Sgd).
