Dear Sirs,

Motorship "ADNA"

Further to my letter of the 25th September, I have to inform you that as a result of a survey held at Singapore earlier this month, the limit on the examination of the Metalock repairs to the main engine No.4 cylinder cover has been extended to February, 1963. I shall be glad if you will inform the Owners accordingly.

Yours faithfully,

The Surveyors,
OSLO.
