

Motor Tanker "ALFRED CIEGG".

Copenhagen Rpt. No. 11808.

Electrical Installation.

This vessel was built under the survey of the Copenhagen Surveyors and the above Report on the electrical equipment, dated the 14th November, 1945, has now been received.

The Report, Test Certificates and plans have been examined and merit approval.

IT IS SUBMITTED the electrical installation merits the favourable consideration of the Committee.
