20th September, 1960.

Classn. (H)

Dear Sirs,

S.S. "CAPTAIN THEO"

This vessel's class is subject to forecastle side plating (starboard side) being specially examined and dealt with as found necessary at the next drydocking, and to a bower anchor and thirty fathoms of chain cable being supplied at the earliest opportunity.

Our Secretary at New York now states he has been advised by the Owners that the ship has been laid up at Dordrecht since the 16th July and that the necessary equipment will be placed on board before she is recommissioned. I shall be glad if you will be guided accordingly.

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
ROTTERDAM.
