Dear Sirs,

M.S. "FORMALITY"

(H) .ccccH
With reference to the classification of this ship in the Society's Register Book, I shall be glad to learn, for the information of the Committee, whether you are yet in a position to advise me regarding the arrangements made to carry out the Special Survey of the hull, which became due at the end of February, 1960 and for which postponement until February, 1961 has previously been approved.

I take this opportunity to remind you that the hull class is at present continued subject to set up bottom shell plating etc. (port side aft) and set up keel plate No.2 from aft being examined and dealt with as necessary by the Special Survey.

Yours faithfully,

Clerk to the
Classification Committee.
