26th February, 1962.

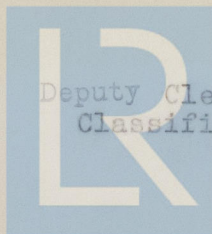

Dear Sirs,

Motorship "AUGUSTENBURG".

With reference to your letter of the 16th instant, I have raised the question of the examination of the port and starboard Nos. 1 and 2 top ends with the Surveyor at New Orleans, who has now cabled to say that these parts were not examined by him. Please inform the Owners accordingly, and make arrangements with them for the Continuous Survey of the machinery to be completed by the inspection of these items.

Yours faithfully,

The Surveyors,  
HAMBURG.

Deputy Clerk to the  
Classification Committee.
