10th March, 1958.

Dear Sirs,

Classn(S)

RNC

Motorship "JAJCE"

The Committee have now had before them your letter of the 28th February, and in reply have authorised me to say that in the circumstances they will not object to the completion of the overdue Special Survey being postponed until some time before the end of June next, as desired by the Owners.

It should, however, be definitely pointed out to the Owners that the survey must then be completed in all respects if the vessel is to maintain her class, as the Committee will be unwilling to agree to any further postponement after the end of June.

The existing Loadline Certificate will expire on the 15th May, and if the Owners desire a fresh Loadline Certificate to 30th June, this may be issued provided a satisfactory Loadline Renewal Survey is held by you.

Yours faithfully,

cc Fbd.

Clerk to the  
Classification Committee.

The Surveyors,  
RIJEKA.
