

L. L. Humphrey

Hull 33772.

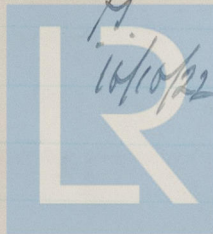

This vessel was one of the "Strath" class of Government trawlers.

The Machinery was constructed & fitted on board under the survey of the British Corporation & the Boiler constructed under the special survey of the Surveyors to this Society.

With a view to classification with this Society the machinery has been examined by the Hull Surveyors & the particulars furnished on a statement form. The screwshaft has been examined & the main steam pipes renewed.

It is submitted that
this vessel is eligible for
THE RECORD. L.M.C. 10.22
