ANSWER

With reference to my classing letter of the 11th April, I shall be glad to learn what arrangements have been made for the Special Survey to be carried out by the end of this month as agreed.

You will note that the Main Boiler Survey became due at the end of November, and it is concluded that this will be held at the Special Survey.

Date:— 21. 2. 62.

Owners state that the vessel has been sold to local shipbreakers with delivery to the breakers not later than end of this month.
