

11th April, 1961.

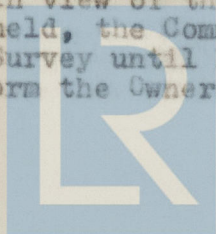

PIRAEUS

8886, 93, 902 - As recommended.

RMC 8194 "VEGALAND" As recommended. I have to point out that the centre and aft air compressors do not belong to the RMC plant which is electrically driven.

"KARAIKAKIS" I shall be pleased to learn if you have yet been able to obtain the information requested in my Classing Letter of the 14th March.

8887 "ELPIS" As recommended. In view of the satisfactory nature of the General Examination now held, the Committee have now agreed to postponement of the Special Survey until February, 1962, and I shall be glad if you will inform the Owners accordingly.
