

8 cyl. 12" - 15"
M/V "HADA"

Anderson.

3 plans of Oil Gland are enclosed herewith.

Will you please advise whether these warrant the
"O.G." notation?

Please return all plans to me & I will
see they are distributed as reqd.

The plan of the oil gland has been
examined & the design as shown therein
so much as could be accepted, in this instance,
for notation of "O.G."
