M/O "FORT HEARNE"

Young

vessel is intended for B.C. classification.

see Sec's. letter of 24/2/50 to Halifax Surveyors,
reply of 8/5/50 with enclosures.

I have your comments in due course, so that
can be put forward for classification?

End

24/5/50.

This case can go forward for class when
decision plans have been settled

End

20/6/50

this to our knowledge, has not occurred in this type of vessel. It w
