Dear Sirs,

Steam Tanker "FRASCA"

I am obliged to you for the comments concerning this ship contained in your memorandum of the 27th January.

In view of the vessel's age it is considered that if she is to make the voyage from Curacao to Germany as a classed ship, a General Examination should be held before she leaves Curacao and the period of postponement of the overdue Special Survey to be granted must depend on the condition of the ship as found.

As regards the overdue Steam Pipe Survey, this will require to be held after arrival in Germany if the vessel is again to resume service after that time.

Yours faithfully,

c.c.Cco.

Clerk to the
Classification Committee.

The Surveyors,
ROTTERDAM.
