### QUESTION

According to our records the last Steam Pipe Survey in this case was held in April, 1953. As a further inspection is now overdue, I shall be glad if you will ascertain and let me know what arrangements are proposed to be made for the requisite survey to be carried out.

### ANSWER

Date:— 7-11-1960.

In reply to our enquiries Owners inform us that the ship will be laid up by the end of this month.

In connection herewith Owners kindly request to be allowed to postpone the Steam Pipes Survey for the time being.

The ship will most probably be sold for breaking up at a later date.
