Dear Sirs,

S/T "FRASCA".

I wish to thank you for your letter of September 12, from which I note that above vessel was converted in 1947 and equipped with cylindrical pressure tanks for carriage of butane. In case you should have the total cargo capacity of butane in barrels or U.S. Gallons, or for instance the total cubic water capacity of the pressure tanks, this information will also be greatly appreciated.

Thanking you for your kind attention, I am,

Yours very truly,  
Pr. pro. ØIVIND LORENTZEN
