Ship.

Dear Sir,

S.T. "FRASCA"

I duly received your letter of the 24th August, relating to the above ship, and note your remarks.

This ship was fitted with cylindrical tanks in 1947. These tanks were designed for the carriage of butane and were approved as Class 2 welded pressure vessels having a working pressure of 100 lbs/sq.in.

It is hoped this information will serve your purpose.

Yours faithfully,

C.C. Eng
