Dear Sirs,

S/T "FRASCA".

Contract 1947

In accordance with your register book for 1960/61, the above vessel is listed under No. 61487 as an oiltanker with cylindrical tanks. The ship is built in 1926 and owned by N.V. Curacaosche Scheepvaart Mij. of Willemstad.

I was wondering if this vessel was equipped for loading pressure cargoes like butane or propane, or if she is only built for carrying ordinary liquid cargoes.

Any information you may be able to give me on this will be greatly appreciate, and in case she can carry pressure cargo, please also state at what working pressure.

Yours faithfully,

pr. pro. ØIVIND LORENTZEN
